*Golf Tourney Champions and Tournament Runners-up*

James Paulette, second from right, holds club trophy and individual trophy after winning Falling River Country Club's golf championship Labor Day. Richard Godsey, left front, Fred Weakley, right front and Ralph Harris, second row, from left, Clarence Smith and Carroll Goodrich were flight winners in the annual event.

Runners-up in the Falling River Country Club golf tournament display trophys they are front row, from left, Steve Lawson, Doug Marshall, Keith Ferguson and Monte Mays. Second row, from left, Johnny Sperry, Cecil Tillary, Harry Lawson, Dudley Hill, and Doug Michell.

## Paulette Captures Third Golf Title

James Paulette fought off a challenge from Steve Lawson, and ignored threatening weather to card a final day 75 to win his third consecutive Falling River Country Club golf championship Labor Day with a three round total of 228.

Trailing Lawson by three strokes going into the final round, Paulette played nearly perfect golf as he successfully defended the title he had won the past two years.

Flight winners were Richard Godsey, Fred Weakly, Clarence Smith and Carroll Goodrich. Harris defeated Johnny Sperry on the fourth hole of a sudden death playoff to win his flight.

Paulette also won one special award and tied with Lawson for another. Lawson and Paulette both recorded single round scores of 75 to tie for those honors and Paulette also won Monday's closest to the pin award.

Gill Dinkins was Sunday's winner for closest to the pin while Bob Hubbard was Saturday's winner. Jim Cobb was awarded the booby prize, a dozen golf balls, for carding the highest single round score, 116.

Mike Harris, Clarence Smith and Monte Mays each won prizes for the longest drives on each of the three day event. Harris' award was for Saturday, Smith's for Sunday and Mays had the longest drive Monday.

Paulette, who had rounds of 75-78-75, played well under pressure as Lawson went all-out in an attempt to dethrone the club champion.

## Jaycees Set Apple Butter Sale Friday

## Receives Scholarship

Steven M. Eggleston has been awarded a $500 Freshman Honor Scholarship to Lynchburg College. The Scholarship was made in recognition of Steven's outstanding academic record at Appomattox High School where he was a member of the National Honor Society.

Twice elected to Who's Who Among American High School Students, he was a member of the Student Council and played varsity basketball and baseball at Appomattox High School. While at Lynchburg College, Stephen plans to major in business administration.

Steven is the son of Mr. and Mrs. Floyd Lemual Eggleston of Appomattox.

## Lawson Ford & Jaycees Sponsor PP&K Contest October 5th

Local youngsters, between the ages of 8 and 13, will be competing on Saturday, October 5, for one of 18 trophies in the first level of Punt, Pass and Kick competition. PP&K is an annual event, co-sponsored locally by Lawson Ford, Inc. and the Appomattox Jaycees and co-sponsored by the National Football League and the Ford Dealers of America.

First, second and third place winners of local competition in each of the six age groups will receive a trophy. Additional trophies will be awarded to the first place winner in Zone, District, Area, Divisional and National finals.

Area, Division, and National matches will be held in NFL team stadiums immediately preceding actual NFL games or during their halftime programs. Youngsters participating at these levels have a chance to meet some of the NFL players.

Any youngster, 8 through 13, accompanied by a parent or guardian, may register at Lawson Ford in Appomattox. There is no registration fee.

Each registrant will receive a free PP&K Tips Book which included a complete set of rules, helpful conditioning exercises and important punting, passing and place-kicking tips by leading NFL specialists in these skills.

PP&K involves no body contact, no special equipment is required and youngsters compete only against others in their own age group. Participation does not impair a youngster's amateur standing.

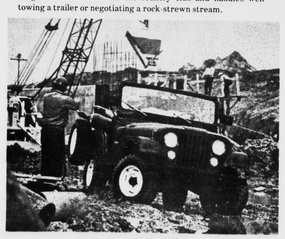
# Jeep - Toughest 4-Letter Word On Wheels

**4-Wheel Drive Jeep Vehicles: So you can see and enjoy the land that is worth preserving**

Big and small features on the 1974 Jeep Wagoneer help to make it the best of the breed. Big standard features such as Quadra-Trac automatic full-time 4-wheel drive, Turbo Hydramatic transmission, 360 V-8 engine, variable ratio power steering and power front disc brakes. Small features like a redesigned defroster system with larger duct outlets for improved heat distribution and a stronger fuel tank filler neck for increased durability. Jeep Wagoneer is available two ways: standard or Custom model. Either has thick foam-padded front and rear bench seats, roomy interior, wide windshield. The Wagoneer looks smart at the country club and handles well towing a trailer or negotiating a rock-strewn stream.



Jeep vehicles are built to take you into the normally inaccessible places of our nation so that you may see and enjoy its natural beauty. We want you and future generations to enjoy this beauty unmarred, undiminished. We ask you and every 4-wheel drive owner or operator to treat the heritage of our beautiful landscape carefully. Observe all regulations and laws governing the use of private and public lands. Respect the land. Its natural beauty can never be replaced.

**JEEP TRUCKS take the limits off. You can find a 4-wheel drive Jeep truck to fit your requirements for work or play, on-road or off-road. They are available in three choices of trim: standard, custom and pioneer. A number of special camper options and a special camper package are available. So are wide range trailer towing options and, importantly, Jeep's exclusive automatic full-time 4-wheel drive system, Quadra-Trac is offered on every Jeep Truck. So, if you are an outdoorsman who works hard or plays hard, get the pickup truck that is hard to beat. Get the 1974 Jeep Truck.

**Jeep Cherokee** the longest wheelbase in their class for a oth ride plus standard full-foam front bucket seats and foam rear seat, attractive interior and exterior trim and 4-wheel drive ruggedness you can expect from Jeep vehicle

**Jeep CJ-5** is first and foremost a 4-wheel drive vehicle. It possesses legendary built-in toughness with features like heavy-duty frame and strong steering control assemblies. It is highly maneuverable because of such features as an 8-inch high ground clearanee, short turning radius and short front and rear overhang.

## New Line Proposed by Vepco

Virginia Electric and Power Company is planning to construct a new 230,000 volt transmission line from Halifax to Farmville. Construction of the new transmission line is expected to begin in the fall of 1974 with completion expected in time to meet the peak customer demand by the summer of 1975.

The $3.3 million project will extend from a point near Halifax, eastwardly in a general direction to a point west of Chase City and then in a northeasterly direction crossing Route 460 just east of Farmville. The line will terminate at a substation on the north side of Farmville.

The total distance of the project is about 65.5 miles. The first 29.8 miles between Halifax and Chase City will parallel an existing transmission line and the remaining portion of the line will pass through forest land for more than 90 per cent of its length thus minimizing the environmental impact.

Vepco has obtained a certificate of public convenience and necessity for the construction from the State Corporation Commission.

D.C. Stables Farmville district manager for Vepco, said the new line is necessary to strengthen the present 115,000 volt system which supplies electric energy to the area of Farmville, Crewe, Blackstone, Victoria, Drake's Branch, Keysville and Pamplin. Construction of the new line, he said, will enable Vepco to provide adequate capacity and reliability of electric service to the area.
